

AFTER YOUR WEBSITE GOES LIVE

Monthly maintenance.

Once your website is purchased and handed over, Crode Tech can keep it updated, secure and running smoothly through a monthly maintenance plan, priced by the type of website.

Monthly cost by website type

INR PER MONTH

NO.	WEBSITE TYPE	MONTHLY COST
01	Basic / Personal Portfolios, simple blogs, landing pages	₹1,500 – ₹3,000
02	Standard Business Service businesses, small company sites	₹3,000 – ₹7,000
03	E-commerce / Premium Online stores with active payment gateways	₹7,000 – ₹20,000+
04	Enterprise / Custom High-traffic applications, multi-site setups	₹15,000 – ₹1,20,000+

What maintenance covers

- Software, plugin and security updates
- Minor content and image updates
- Performance and uptime checks
- Scheduled backups
- Bug fixes
- Support by email or phone

SEPARATE SERVICE

Maintenance is charged separately unless it is included in your package.

STARTING / ESTIMATED

Final monthly cost depends on the size and complexity of your website and is confirmed in your quotation.

RENEWALS NOT INCLUDED

Annual renewal, domain, hosting and other third-party services are billed separately.
